

COMPAK Sporting Survey 2024

The Results

Purpose of the 2024 survey

- **The BICTSF COMPAK sub-committee wanted to hear the competitor's views and thoughts on how the costs on the entry fee that are currently paid for the BICTSF championship shoots could be reduced.**
- **The point where a change would be made was if there was a clear majority of at least 66% in favour of any of the possible changes proposed.**

Summaries

- **In total 230 surveys were e-mailed to the shooters.**
- **93 responses were received.**
- **40.43% response rate.**

Question 1:

Currently the BICTSF pay for BICTSF COMPAK qualified referees and one COMPAK Chief Referee to officiate at all BICTSF championship shoots. The cost of this is added to the entry fee and is not currently included in the Ground's green fee. Would you support the use of the ground's own referees officiating at BICTSF Championship shoots?

Question 3:

Part of the entry fee is used to support the individual entries for the shooters representing GB at the European and World Championships as well as the cost of the team entries. Currently the individual and team entries for these 2 shoots equates to approx. £9,000 per year. If the individual European and World Championship entries became the responsibility of the individual shooters to pay, then the costs would reduce to approx. £1,200 and therefore reduce the money required from the entry fee.

100 v 125 Target events

■ 100 Target (52%) ■ 125 Target (48%)

Survey Conclusion

As can be seen by the survey results, the shooters have decided that none of the proposals made should be implemented as none achieved the necessary votes of 66% in favour of change.

One change for next season which will be implemented is that the referee costs will now be shared between the grounds and BICTSF.

The grounds holding the shoots for you will be required by contract to pay the referees up to the amount that they would offer their referees for a registered event with BICTSF making up the difference as we continue to use BICTSF qualified referees.

Thank you to all those shooters who responded to the survey and if anyone has any queries, please contact Nick Adams or Mark Kettel who will be more than happy to discuss with you any points you have.
