

Below is an outline of part of the BICTSF FITASC Sporting calendar for 2026.

We are looking to significantly improve our product and in order to achieve this we have deliberately chosen to work with shooting grounds and course setters who are genuinely passionate about producing the best possible experience for our competitors.

Ian Coley Shooting Ground will be the only shoot in 2026 to be held on a Friday and Saturday, and it will be the final time this format is used. All other two-day shoots in the 2026 calendar will take place on a Saturday and Sunday.

Two additional shoots will be added later in the year. These are currently being finalised as you read this and will include one further championship 200 targets, and one fundraising event, also likely to be 200 targets.

Thank you to everyone for your continued support. It is genuinely appreciated, and we look forward to working with you all to deliver a strong and successful 2026 season.
